On July 27, 1989, the Commission granted an extension of time to all parties to respond to the October 6, 1988 Order requiring data concerning compensation for intraLATA call completion by interexchange carriers and WATS jurisdictionality. The extension was granted to November 3, 1989 for the Phase II responses and to November 30, 1989 for the Phase III responses.

The Commission, on its own motion and being otherwise sufficiently advised, HEREBY ORDERS that Phase II and Phase III shall be held in abeyance until further notice. The procedural schedule change is necessitated by delays in Phase I of this proceeding.
